

On My Way – from Brother Bear

Arr. By Sandra Baxter for BroadBeat Choir

HINGES & MEN'S DEPT

Tell everybody I'm on my way
New friends and new places to see
With blue skies ahead, yes I'm on my way
And there's no-where else that I'd rather be

Tell everybody I'm on my way
And I'm loving every step I take
With the sun beatin' down, yes I'm on my way
And I can't keep this smile off my face

'Cos there's nothing like seein', each other again
No matter what the distance between
And the stories that we tell will make you smile
Oh it really lifts my heart

So tell 'em all I'm on my way
New friends and new places to see
And to sleep under the stars who could ask for more
With the moon keeping watch over me

Not the snow not the rain, can change my mind
The sun will come out wait and see
And the feeling of the wind in your face, can lift your
heart
Oh, there's no-where I would rather be
